

Home Hosting Application 2018

The Hamilton P & A Society conduct a home hosting service for our exhibitors. This is supported by the Hamilton North Rotary Club and Hamilton Rotary Club.

Cost: \$100 per room per night, incl a continental breakfast. Paid directly to your host in cash.

Accommodation varies from in home to separate bungalow. Bedding configurations and types and ensuite provisions also vary. You will be best matched to a home depending on your requirements and notified of the accommodation available as soon as possible.

The homes available are limited so we suggest you apply as soon as possible however, we cannot guarantee a placement for every applicant.

Those who have previously used the home hosting service will be placed with their previous year's host (if the host is offering their home again). It is acceptable for exhibitors to make contact with their usual host and make arrangements directly.

Payment is made directly to the host or to the rotary club (if this is applicable). The P & A Society doesn't take any payment and therefore cannot provide receipts.

Should you not be able to attend Sheepvention or don't require the accommodation it is expected that you will notify both the Hamilton P & A Society and your host directly. Failure to comply with conditions may result in non acceptance into the service for next year.

Conditions of Application

You agree to continually indemnify the Hamilton P & A Society on a full indemnity basis against any claim or proceeding that is made, threatened or commenced and any liability, loss, damages or expense that the Hamilton P & A Society incurs as a direct or indirect result of participation in the home hosting service for Sheepvention.
