

2019 Young Auctioneers

FREE Entry

Each year, the Hamilton P&A Society runs the Young Auctioneers Event at Sheepvention with great participation. The competition is very well supported and a fantastic crowd is always on hand to cheer on the competitors. To capitalise on this and provide more room for the crowd as well as a better selling environment, the auction takes place in the Wool Shed Selling Centre, one of the busiest pavilions.

The long term aim of the Young Auctioneers Competition is to develop, educate and assist auctioneers to reach a standard that is competitive at a state level. To do this, the Committee works hard with relevant industry bodies to achieve this outcome and each year, update our current standards in order to bring us into line with this level of competition. The competition will be held on Monday 5th August, at approximately 3.30pm, at the Hamilton Showgrounds, Horner St, Hamilton. Contestants will be selling cattle to a nominated group of buyers in an area set up specifically for this event. A selling catalogue will be established for Young Auctioneers competitors to reference in their presentation, and the competition will be live streamed on the web.

We hope you will encourage your up and coming talent to be part of the 2019 Young Auctioneers Competition. Please read the Conditions of Entry and return Entry Forms. You may contact Will Kinghorn as competition facilitator on 0488 433293 with any queries.
